

Application No. 10/769,762

REMARKS / ARGUMENTS

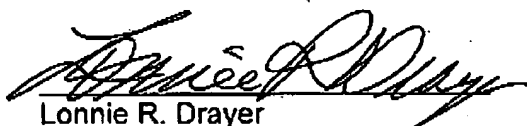

The Examiner has objected to the specification because of incorrect reference numbers in paragraphs [0015] and [0016]. These errors have been corrected in the foregoing amendments.

The Examiner has indicated that claims 11 – 19 are allowable as filed.

The Examiner has indicated that claims 3 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Independent claim 1 has been amended to include all of the limitations of claims 2 and 3, so that claim 1 should now be allowable. Claims 4 – 10 depend from independent claim 1, so those claims should also be allowable.

It is believed that the application is now in form and condition for allowance and such action by the examiner is respectfully urged.

Respectfully submitted,

Lonnie R. Drayer
